Course Overview

TELL ME MORE® provides you with the most advanced language learning solution on the market for German language learning. Combining the proven methodology of the communicative approach with state-of-the-art technology, TELL ME MORE® will teach you to speak German in the same environment you learned your native language. With full language immersion, TELL ME MORE® will keep you engaged and learning faster than you could imagine.

Focusing on all major areas of language learning (speaking, comprehension, reading, and writing), TELL ME MORE® is the best way to successfully learn a new language. Offering more content and activities than any competing product, TELL ME MORE® is the only solution focusing on these crucial four areas, teaching you all the skills necessary to become truly language proficient.
